Date : 2nd June 2021

Pratik Memakiya

:: <u>Day -7</u> ::

** Work Summary **

❖ <u>**Day-7 : What we have learnt**</u> **?**

■ In today's session we created project and app.

■ After that we run our server and make migrations.

■ And we added urls to the url.py files.

✧ This Internship is Task Based Internship. So at the end of this session we got one Task.

✧ **<u>Task</u> :-** **Print Hello_World using basic Django.**

✧ **<u>Output</u> :-**

Day_7
